

To whom it may concern

Copenhagen Malmo Port – Malmo – shall hereby state that the notification from EU concerning the security in CMP Malmo is based on differences in handling of documents between Transportstyrelsen (The Government of Sweden) and EU.

However CMP Malmo and Transportstyrelsen will as soon as possible prepare and forward documents to EU to ensure that CMP Malmo apply to the ISPS Code.

CMP Malmo will continue the security check according to the ISPS Code as usually.

All ships calling the Port of Malmo can by request get a Document of Security (DoS) by contacting the Harbour Office through their agent or directly.

The Port of Malmo is at level 1.

For more information it is possible to contact the Transportstyrelsen (Government) by Security Inspector Karl Rosberg +46 (0)734 32 14 06.

Best regards
